Docket Number: #434

(Single Family Dwelling at 529 Queenstown Road, Severn, MD 21144)

Mr. Joseph Whitehouse is proposing to construct a single-family dwelling at 529 Queenstown Road, Severn MD 21144. This location is approximately 1.1 miles southeast of the arrival end of Runway 33L at Baltimore Washington Thurgood Marshall International Airport (BWI Marshall). The proposed structure is to be located within the 65 LDN Noise Zone for the BWI Marshall Airport. The proposed land use at this location is found to be incompatible with the certified Airport Noise Zone. The Maryland Airport Noise Control Program Regulations (COMAR 11.03.03) enables the proponent to seek a variance from the Board of Airport Zoning Appeals to this regulation. The petition for the case has been received from the appellant. Therefore, the Maryland Aviation Administration anticipates requesting to present this case to the Board of Airport Zoning Appeals in July 2024 or soon thereafter.
