BAZA CASE #435 (Old Mill High School at 600 Patriot Lane, Millersville, MD)

The Anne Arundel County Board of Education is proposing to demolish the existing and construct a replacement Old Mill High School at 600 Patriot Lane, Millersville, MD. This location is approximately 3.2 miles southeast of Runway 33L at Baltimore/Washington Thurgood Marshall International Airport (BWI Marshall). The proposed structure is to be located within the 65 DNL Noise Zone for BWI Marshall Airport. The proposed land use at this location is found to be incompatible with the certified Airport Noise Zone. The Maryland Airport Noise Control Program Regulations (COMAR 11.03.03) enables the proponent to seek a variance from the Board of Airport Zoning Appeals to this regulation. The Maryland Aviation Administration anticipates requesting to present this case to the Board of Airport Zoning Appeals in January 2025.
