Greensboro, MD 21639

Dear Mayor Noon:

Thank you for your recent letter outlining the Town of Greensboro's latest transportation priorities. The Maryland Department of Transportation (MDOT) appreciates the collaborative working relationship we have with Town of Greensboro and will keep your priorities in mind as we proceed with the development of the Fiscal Year 2013-2018 Draft Consolidated Transportation Program (CTP) this summer.

Although Maryland's economy has turned a corner and is headed in a positive direction, we continue to face great challenges in funding our State's significant transportation infrastructure needs into the future. As has been the case in the past, MDOT encourages the continued support of the Town of Greensboro as we work together to improve our transportation network across the State.

Thank you again for your letter. Should you have additional questions or concerns, please do not hesitate to contact Mr. Ian Beam, Regional Planner, at 410-865-1280, toll free at 1-888-713-1414, or via email at ibeam@mdot.state.md.us. Of course, you should always feel free to contact me directly.

Sincerely,

Re: Caroline County Transportation Priority Projects

Dear Mr. Halligan,

The Town of Greensboro is in agreement with the proposed transportation priority projects for Caroline County as outlined by the County Commissioners in their report dated May 22, 2012. Both the Dover Bridge Project and the Dualization of Rt. 404 are safety concerns that the Town agrees are needed for the safety of the citizens of Caroline County and should be a priority.

Sincerely,

Joseph J. Noon
Mayor
