

# SHA Program- Recreational Trails

Recreational Trails Program (RTP) funds projects that develop and maintain land and water-based recreational trails and trail-related facilities for motorized and non-motorized recreational trail uses. Some of these uses include pedestrian (hiking, running, wheelchair, snowshoeing), road/mountain biking, equestrian, cross-country skiing, snowmobiling, off-road motorcycling, off-highway vehicle riding, paddle sports, personal watercraft, and motorized boats. This is a competitively selected reimbursable federal-aid program administered by the State Highway Administration.

**Eligible Applicants:** local governments, regional transportation authorities, transit agencies, natural resource and public land agencies, school districts and local education agencies, tribal governments, 501(c)(3) nonprofit organizations.

Any other local and governmental entity with oversight of transportation or recreational trails (other than a metropolitan planning organization or a State agency).
