RE: Dorchester County Highway Priorities

Dear Secretary Wiedefeld:

The Dorchester County Council is submitting the following list of potential transportation improvements along State Highways in Dorchester County for future State of Maryland funding consideration:

- **US 50 / MD 16 Mount Holly Road** – Traffic Feasibility Study for a fully functioning intersection to provide access to the eastbound lane;
- **MD 16 Mount Holly Road / Chateau Road** – Traffic Feasibility Study for improvements to intersection;
- **Linkwood Road / US 50** – Traffic Feasibility Study & Geometric Improvement Study for a fully functioning traffic light; and,
- **US 50 from Bucktown Road to Mount Holly Road** – Traffic Feasibility study to see if any improvements can be made to the crossovers to improve safety.

Please note, the traffic issues at MD 16/Chateau Road are due to the lack of accessibility to the eastbound lane of US 50 from MD 16 Mount Holly Road.

Thank you for your time and consideration. If you have any questions, please contact the Council's Office at (410) 228-1700.

Sincerely,

DORCHESTER COUNTY COUNCIL

George L. Pfeffer, Jr.  
President
