Dear Ms. Martin:

We have completed our review of the State request (MDOT Control #22-143) to amend the Fiscal Year (FY) 2022-2025 Statewide Transportation Improvement Program (STIP) to reflect the addition of two new projects, Maryland Equitable Charging Infrastructure Partnership (MECIP) (\$7,060) and Dale Drive Shared Use Path and Safety Improvements (\$0) in the National Capital Region Transportation Planning Board (TPB) FY 2023-2026 Transportation Improvement Program (TIP) on behalf of the Maryland Clean Energy Center (MCEC) and the Montgomery County Department of Transportation (MCDOT).

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP amendment please contact Jasmine Champion at (410) 779.7158.

Sincerely,

Valeriya Remezova
Division Administrator
