Dear Ms. Martin:

We have completed our review of the State's request (MDOT Control #22-158) to amend the Fiscal Year (FY) 2022-2025 Statewide Transportation Improvement Program (STIP). This amendment reflects a change to the Dundalk Marine Terminal Resiliency and Flood Mitigation project, increasing funding by \$21.058 million (PROTECT Program) and decreasing funding by \$1,000 (BUILD Program). This project is in the Baltimore Regional Transportation Board's FY 2025-2028 TIP on behalf of the Maryland Port Administration (MPA).

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions, regarding this STIP amendment, please contact the MD Division Planning Program Manager, Jasmine Champion, at (410) 779.7158.

Sincerely,

Valeriya Remezova
Division Administrator
