Dear Ms. Martin:

We have completed our review of the State request (MDOT Control #22-216) to amend the Fiscal Year (FY) 2022-2025 Statewide Transportation Improvement Program (STIP) to reflect changes to one existing and one new project in the FY 2023-2026 National Capital Region Transportation Planning Board (TPB) Transportation Improvement Program (TIP) on behalf of the Maryland State Highway Administration (SHA).

- I-95/I-495 Interchange at Medical Center Drive (\$5.686M)
- US 340 Ramp Modifications (\$\$1.907M)

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135 and 49.

If you have any questions regarding this STIP amendment, please contact Jasmine Champion, Planning Program Manager at (410) 779-7158 or via email at jasmine.champion@dot.gov

Sincerely,

For
