Dear Ms. Murphy:

We have completed our review of the Maryland Department of Transportation Control #22-97 request to amend the Fiscal Year 2022-2025 Statewide Transportation Improvement Program with the addition of funding for Preliminary Engineering and Right-Of-Way. This amendment reflects the updated level of funding for MD 231 Geometric Improvements between Toye Lane and Mason Road (\$685K) on behalf of the MDOT State Highway Administration (MDOT SHA).

We accept this amendment and find that it was developed based on a continuing, cooperative, and comprehensive transportation planning process, in accordance with 23 U.S.C. 134, 23 U.S.C. 135, and 49.

If you have any questions, regarding this STIP amendment please contact Jasmine Champion at (410) 779.7158.

Sincerely,

Valeriya Remezova
Division Administrator
