Dear Ms. Remezova and Ms. Crews:

The Maryland Department of Transportation (MDOT) requests to modify the Fiscal Year (FY) 2025-2028 Maryland Statewide Transportation Improvement Program (STIP) on behalf of the Harford County, Maryland, for a project contained in the FY 2026-2029 Baltimore Regional Transportation Board (BRTB) Transportation Improvement Program (TIP).

Project Name	STIP #	Funding Source	FY25-FY28 Net Federal Change (in 000's)
St. Clair Bridge #100 Over Deer Creek	15-2102-13	STBG	\$320

The MDOT has assigned Control #25-65 for this modification, and the supporting documentation is attached.

Dear Mr. Anderson:

Enclosed is one Administrative Modification to the 2026-2029 Baltimore Region Transportation Improvement Program (TIP) as approved by the Baltimore Regional Transportation Board (BRTB) Executive Committee on December 1, 2025. The documentation enclosed supports changes to the 2026-2029 TIP for one Harford County project.

- **St. Clair Bridge Road Bridge #100 over Deer Creek: 15-2102-13**

These minor changes are within the framework for Administrative Modifications and do not affect the regional conformity determination. Harford County has affirmed that fiscal constraint for their Program of Projects remains intact.

Pursuant to the prescribed Transportation Improvement Program MOU signed in 2014, the BRTB Executive Committee approved these changes to the 2026–2029 TIP.

If you have any questions, please feel free to call me.

Sincerely,

#### Description

This project includes replacement of the deck of the bridge carrying St. Clair Bridge Road over Deer Creek. The bridge will not include sidewalks but will include shoulders on each side of the roadway (width TBD during engineering). Previous cost only included preliminary design. This cost includes design and construction costs.

#### Project Benefits

The bridge deck is rated in fair condition and posted 63k SUV/80k CUV. It is being replaced now to extend the useful life of the bridge and to avoid a full replacement. This project is consistent with the master planning goal of maintaining a safe and adequate transportation system to serve existing and future populations.

RE: Administrative Modification to the FY 2026-2029 TIP for St. Clair Bridge Road Bridge #100 over Deer Creek

Dear Mr. Lang:

Harford County is requesting an administrative modification to the FY 2026-2029 TIP for the St. Clair Bridge Road Bridge over Deer Creek. Engineering funds for this project are being included for FY 2026. FY2026 federal engineering funds are \$320,000 with \$80,000 local match. Additionally, FY 2027 Engineering funds are being shifted to FY 2028, with FY 2029 Construction Funding being omitted at this time as it will need to be pushed to outyears due to the current progression of this project.

Harford County is requesting an update to the funding for this project for work. Preliminary design is currently scoped which will guide how the project progresses with future design scope. The request to adjust these funds is so that the FY 2026-2029 TIP accurately reflects the County Capital Improvement Program (CIP) budget for this project.

The Transportation Improvement Program continues to be fiscally constrained. If you have any questions, please do not hesitate to contact Alex Rawls, (410) 638-3136 or Matt Miller, Project Manager (410) 638-3509, extension 1392.

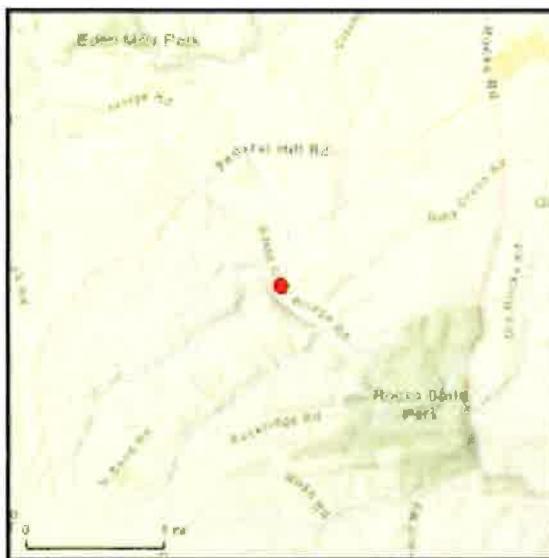

Sincerely,
