

**PROCUREMENT OFFICER'S DETERMINATION
INTERGOVERNMENTAL COOPERATIVE PURCHASING
MODIFICATION NO. 7
CONTRACT NO. 517811
ACCESS CONTROL SYSTEM EXTENDED WARRANTY & MAINTENANCE**

I. EXECUTIVE SUMMARY

Securitas Technology Corporation (Securitas TC) is the awardee of Contract No. 517811, procured by the Maryland Port Administration (MPA), under an Intergovernmental Cooperative Purchasing Agreement of the Maryland Department of Information Technology (DOIT) Hardware 2012 Master Contract.

II. BACKGROUND

Modification No. 7 extends the contract from December 1, 2023 through May 31, 2024. The cost of this extension for the warranty and maintenance is \$6,352.67 for a total revised contract amount of \$195,221.42. This modification is needed because the MPA is migrating to a Genetec system and until that migration is completed the MPA needs the Lenel system maintained under Contract No. 517811.

III. DETERMINATION

- A. Modification No. 7 increases the total Contract value by \$6,352.67 for a revised total contract value of \$195,221.42;
- B. Modification No. 7 extends this contract through May 31, 2024.
- C. This modification is less than \$50,000 and the total revised contract value does not exceed \$200,000; therefore, approval from the Maryland Port Commission or the Board of Public Works is not required;
- D. Payments due from MPA under this Contract will be invoiced under a new Blanket Purchase Order (BPO) number P517811B; and
- E. Except as revised by this Modification No. 7, Contract No. 517811, as revised prior hereto by Modifications Nos. 1 through 6, remains in full force and effect.
