

NATIONAL CAPITAL REGION TRANSPORTATION PLANNING BOARD
777 North Capitol Street, N.E.
Washington, D.C. 20002

RESOLUTION ON AN AMENDMENT TO THE FY 2019-2024 TRANSPORTATION IMPROVEMENT PROGRAM (TIP) THAT IS EXEMPT FROM THE AIR QUALITY CONFORMITY REQUIREMENT TO UPDATE PROJECT AND FUNDING INFORMATION FOR THE GOVERNOR HARRY W. NICE/SENATOR THOMAS "MAC" MIDDLETON BRIDGE REPLACEMENT PROJECT, AS REQUESTED BY THE MARYLAND DEPARTMENT OF TRANSPORTATION (MDOT)

WHEREAS, the National Capital Region Transportation Planning Board (TPB), which is the metropolitan planning organization (MPO) for the Washington Region, has the responsibility under the provisions of the Fixing America's Surface Transportation (FAST) Act for developing and carrying out a continuing, cooperative and comprehensive transportation planning process for the Metropolitan Area; and

WHEREAS, the TIP is required by the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) as a basis and condition for all federal funding assistance to state, local and regional agencies for transportation improvements within the Washington planning area; and

WHEREAS, on October 17, 2018 the TPB adopted the FY 2019-2024 TIP; and

WHEREAS, in the attached letter of July 11, 2019, MDOT has requested an amendment to the FY 2019-2024 TIP to update the project description and funding information for the Governor Harry W. Nice/Senator Thomas "Mac" Middleton Bridge Replacement project (TIP ID 5527) to reprogram funds in FY 2019 through FY 2022 and to include an additional \$186.1 million in state funding, as described in the attached materials; and

WHEREAS, this project is included in the Air Quality Conformity Analysis of the Visualize 2045 Plan and the FY 2019-2024 TIP; and

WHEREAS, full funding for this project is included in the Visualize 2045 Plan financial analysis; and

WHEREAS, by December 2019, MDOT will report to the TPB the results of their efforts to secure the barrier-separated bicycle/pedestrian path on the bridge; and

NOW, THEREFORE, BE IT RESOLVED THAT the National Capital Region Transportation Planning Board amends the FY 2019-2024 TIP to update project and funding information for the Governor Harry W. Nice/Senator Thomas "Mac" Middleton Bridge Replacement project (TIP ID 5527) to reprogram funds in FY 2019 through FY 2022 and to include an additional \$186.1 million in state funding, as described in the attached materials.

Adopted by the Transportation Planning Board at its regular meeting on July 24, 2019

Larry Hogan
Governor
Boyd K. Rutherford
Lt. Governor
Pete K. Rahn

George H. Fallon Federal Building
31 Hopkins Plaza, Suite 1520
Baltimore MD 21201

Ms. Terry Garcia Crews
Regional Administrator
Attn: Mr. Ryan Long
Federal Transit Administration
1760 Market Street, Suite 500
Philadelphia PA 19103

Dear Mr. Murrill and Ms. Crews:

The Maryland Department of Transportation (MDOT) hereby amends the Fiscal Year (FY) 2019-2022 Maryland Statewide Transportation Improvement Program (STIP) to reflect changes to one existing project in the FY 2019-2024 National Capital Region Transportation Planning Board (TPB) Transportation Improvement Program (TIP).

This amendment reflects the Maryland Transportation Authority's (MDTA) updated programmed expenditures for the Governor Harry W. Nice/Senator Thomas "Mac" Middleton Bridge Replacement Project (TIP 5527). The TPB approved the amendment to its TIP on July 24, 2019, and MDOT has assigned Control #19-11 for this amendment to the STIP. The approvals and supporting documentation are attached.

Project Name	STIP #	TIP #	Funding Source	FY19-FY22 Net Federal Change (in 000's)
Governor Harry W. Nice/Senator Thomas "Mac" Middleton Bridge Replacement Project	5527	5527	State	\$0

At this time, the current approved MDOT FY2019-2024 Consolidated Transportation Program (CTP) assumes all \$768.6 million in funding for the Nice/Middleton Bridge will be in the form

Mr. Gregory Murrill
Ms. Terry Garcia Crews
Page Two

of state funds (toll revenue bonds and cash reserves). MDTA is currently in the process of applying for a Transportation Infrastructure Finance and Innovation Act (TIFIA) loan on the project, which if approved could contribute up to \$250 million in federal funding for the project. If approved, the TIFIA loan proceeds would replace an equal amount of existing state funds at that time.

The Maryland Statewide Transportation Improvement Program continues to be fiscally constrained.

Should you have additional questions or concerns, please contact Ms. Kari Snyder at 410-865-1305, toll free 888-713-1414 or via e-mail at ksnyder3@mdot.state.md.us. Of course, please feel free to contact me directly.

Sincerely,

A handwritten signature in blue ink that reads "Tyson Byrne". The signature is fluid and cursive, with the first name "Tyson" and the last name "Byrne" clearly distinguishable.

SUMMARY TABLE

Project	Amendment Criteria	Conformity Status	Environmental Status	Current Funding Level (000s)		
				Federal	State/Local	Total
Governor Harry W. Nice/Senator Thomas "Mac" Middleton Bridge Replacement Project (1024)	B	Visualize 2045 #2617 (Proj. ID MP18)	FONSI, 2012 ; NEPA Re-Eval, 2019	\$ -	\$ 88,650	\$ 88,650
	Administration	Area/MPO	CTP Page	Net Funding Change (000s)		
	MDTA	TPB	MdTA - 33	\$ -	\$ 373,842	\$ 373,842
Description	Construction of a new four-lane crossing of US 301 over the Potomac River to replace the existing 1.7-mile long bridge that opened to traffic in 1940. The project will also include minor roadway work on each side of the Potomac River, improvements to the tolling infrastructure, modifications to the campus facilities (administration and maintenance buildings) directly impacted by the bridge replacement, and demolition of the existing bridge once the new bridge is open to traffic.					
Justification	The existing bridge does not meet current standards, i.e., narrow lanes, lack of shoulders, and steep grades with lack of truck climbing lanes. The existing bridge is reaching capacity during peak periods. The new four-lane bridge will be safer and relieve congestion.

July 11, 2019

The Honorable Martin Nohe
Chairman
National Capital Region Transportation Planning Board
Metropolitan Washington Council of Governments
777 North Capitol Street, N.E., Suite 300
Washington DC 20002

Dear Chairman Nohe:

The Maryland Department of Transportation (MDOT) requests the following amendment to the suburban Maryland portion of the National Capital Region Transportation Planning Board's (TPB) Fiscal Year (FY) 2019-2024 Transportation Improvement Program (TIP) for one existing project as described below and in the attached memo.

The "Governor Harry W. Nice Bridge Improvement Project" has been renamed to the "Governor Harry W. Nice/Senator Thomas "Mac" Middleton Bridge Replacement Project." The total project cost of \$768,600,000 has not changed in either the TIP or in MDOT's FY 2019-2024 Consolidated Transportation Program (CTP). Funds are simply being added to reflect revised annual funding amounts that are consistent with the current approved CTP. We are now requesting to add the remaining funding of \$186,118,000 in FY 2023 and FY 2024. As this project is already included in the currently approved regional Air Quality Conformity for Visualize 2045, this action does not change the air quality impact on conformity.

TIP ID#	Project	Phase	Amount of New Funding	Comment
5527	Governor Harry W. Nice/Senator Thomas "Mac" Middleton Bridge Replacement Project."	CO	\$ 186,118,000	Add funding for construction.

The project description is also being updated to reflect the bid-alternate approach to the project solicitation. It will now read, "Construct a new four-lane bridge north of the existing bridge, with accommodations for bicycles. Included in the project is preventative maintenance of the existing bridge until the construction phase is programmed." This change does not preclude a barrier-separated shared-use path being included in the final design of the new bridge.

MDOT requests that this amendment of the project name, description, and funding be approved by the Transportation Planning Board (TPB) at its July 24, 2019 meeting.

The Honorable Martin Nohe
Page Two

The revised funding status will not impact scheduling or funding availability for other projects in the current TIP, which continues to be fiscally constrained. The additional funds are available through a combination of MDTA cash and debt and utilizing refunding opportunities for existing debt. MDTA will be taking advantage of significant cost savings through a design-build approach to procurement, a practical design, over attainment of toll revenues, and current low interest rates.

We appreciate your cooperation in this matter. Should you have additional questions or concerns, please contact Ms. Kari Snyder, MDOT Office of Planning and Capital Programming (OPCP) Regional Planner at 410-865-1305, toll free 888-713-1414 or via e-mail at ksnyder3@mdot.state.md.us. Ms. Snyder will be happy to assist you. Of course, please feel free to contact me directly.

Sincerely,

Tyson Byrne
Regional Planning Manager
Office of Planning and Capital Programming

MEMORANDUM

TO: DIRECTOR HEATHER MURPHY
FROM: ACTING CHIEF ENGINEER WILLIAM PINES *William Pines*
SUBJECT: REQUEST TO AMEND THE FY 2019-2024 NATIONAL CAPITAL REGION
TRANSPORTATION PLANNING BOARD (TPB) TRANSPORTATION IMPROVEMENT
PROGRAM (TIP)
DATE: MAY 2, 2019

PURPOSE OF MEMORANDUM

To request the Maryland Department of Transportation (MDOT) Office of Planning and Capital Programming approve and forward to TPB for its approval the following TIP amendment.

SUMMARY

The Maryland Department of Transportation’s Maryland Transportation Authority (MDTA) hereby requests amendment of the FY 2019-2024 TPB TIP to reflect the following actions.

ANALYSIS

The current approved MDOT FY 2019-2024 Consolidated Transportation Program (CTP) includes a total cost of \$768,600,000 in state funding to fully fund the Governor Harry W. Nice/Middleton Bridge Improvement Project through FY 2024. The last TIP amendment that was provided for the project was for the FY 2017-2022 TIP, which only included a total of \$559,816,000 in funds at that time based on the projected spending on the project through FY 2022. The amendment did not include funding in FY 2023 and FY 2024 since that was outside the current six-year program window at that time. We are now requesting to add the remaining funding of \$208,784,000 in FY 2023 and FY 2024 to the FY 2019-2024 TIP and revise the annual funding amounts in FY 2019 to FY 2024 to be consistent with the current approved MDOT FY 2019-2024 CTP.

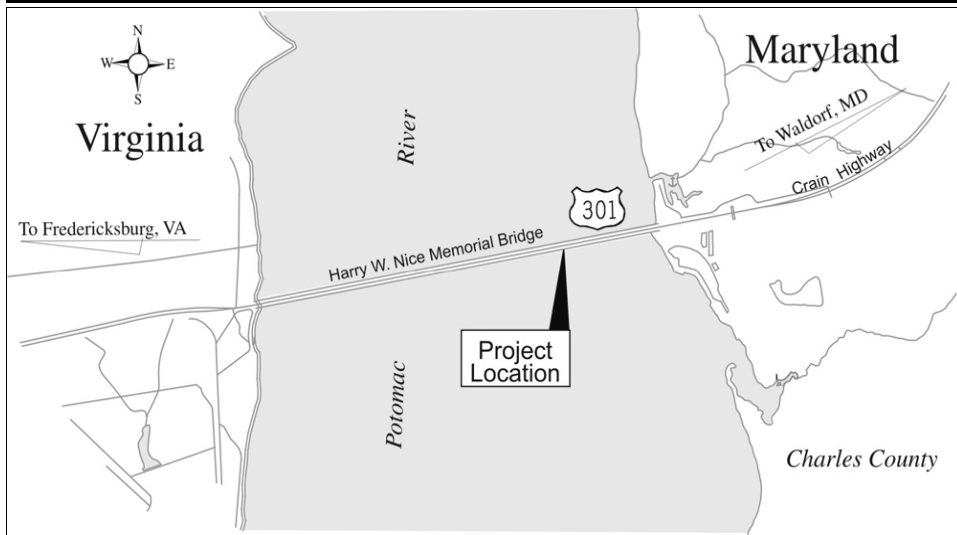

Please amend the FY 2019-2024 TPB TIP and the FY 2019-2022 Maryland STIP to reflect the information provided in this memorandum. The MDTA requests this amendment in order that the FY 2019-2024 TPB TIP reflect MDTA’s addition of construction funds for the project.

The MDTA is an independent State agency that acts on behalf of but is separate from the Maryland Department of Transportation. By law, the MDTA is a group of eight citizens who are appointed by the Governor (and confirmed by the Senate) and the Secretary of Transportation, who serves as Chairman. The MDTA is a non-budgeted agency that relies solely on revenues generated from Maryland’s eight toll facilities. Toll revenues are pooled to cover financing, construction, operating, maintenance, and law-

enforcement costs, thus providing the strongest possible security for financing transportation improvement projects.

If you have any questions regarding this amendment request, please contact William Pines, MDTA Acting Chief Engineer, at 410-465-8045, or via email to wpines@mdta.state.md.us.

Mr. William Pines, Acting Chief Engineer, MDTA
Ms. Kari Snyder, Regional Planner, MDOT
Mr. Tyson Byrne, Manager, MDOT

PROJECT: US 301 Harry W. Nice Memorial Bridge - Replace Nice Bridge

DESCRIPTION: Replace the current bridge with a new 4-lane bridge.

PURPOSE & NEED SUMMARY STATEMENT: The existing bridge does not meet current standards, i.e., narrow lanes, lack of shoulders, and steep grades with lack of truck climbing lanes. The existing bridge is reaching capacity during peak periods. Traffic is projected to increase by 45 percent on weekdays and 33 percent on weekends by 2025.

STATE GOALS: Maryland Transportation Plan (MTP) Goals/Selection Criteria:

- Safety & Security
- System Preservation
- Quality of Service
- Environmental Stewardship
- Community Vitality
- Economic Prosperity

ASSOCIATED IMPROVEMENTS: None.

EXPLANATION: The new 4-lane bridge will be safer and relieve congestion.

STATUS: Planning is complete. Engineering and right-of-way acquisition are underway. Construction is scheduled to begin in FY 2020.

SIGNIFICANT CHANGE FROM FY 2018 - 23 CTP: None.
