Dear Mr. Murrill and Ms. Crews:

The Maryland Department of Transportation (MDOT) hereby amends the Fiscal Year (FY) 2019-2022 Maryland Statewide Transportation Improvement Program (STIP) to reflect changes to two highway projects in the FY 2019-2024 National Capital Region Transportation Planning Board (TPB) Transportation Improvement Program (TIP).

This amendment reflects MDOT State Highway Administration's (SHA) updated programmed expenditures for TIP #6529 and breaks out TIP #6683 from MDOT SHA's Areawide Urban Reconstruction Grouped Project. The TPB approved the amendment to its TIP on September 6, 2019. MDOT has assigned Control #19-18 for this amendment to the STIP, and the approvals and supporting documentation are attached.

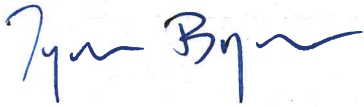

Project Name	STIP #	TIP #	Funding Source	FY19-FY22 Net Federal Change (in 000's)

**RESOLUTION ON AN AMENDMENT TO THE FY 2019-2024 TRANSPORTATION
IMPROVEMENT PROGRAM (TIP) THAT IS EXEMPT FROM THE AIR QUALITY
CONFORMITY REQUIREMENT TO INCLUDE FUNDING FOR THE MD 212A AND
THE MD 5/MD 637 (NAYLOR ROAD) URBAN RECONSTRUCTION PROJECTS,
AS REQUESTED BY THE MARYLAND DEPARTMENT OF TRANSPORTATION (MDOT)**

WHEREAS, the National Capital Region Transportation Planning Board (TPB), which is the metropolitan planning organization (MPO) for the Washington Region, has the responsibility under the provisions of the Fixing America's Surface Transportation (FAST) Act for developing and carrying out a continuing, cooperative and comprehensive transportation planning process for the Metropolitan Area; and

WHEREAS, the TIP is required by the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) as a basis and condition for all federal funding assistance to state, local and regional agencies for transportation improvements within the Washington planning area; and

WHEREAS, on October 17, 2018 the TPB adopted the FY 2019-2024 TIP; and

WHEREAS, in the attached letter of August 27, 2019, MDOT has requested an amendment to the FY 2019-2024 TIP to reprogram and add \$1.748 million in Surface Transportation Block Grant (STBG) funding and \$502,000 in state funding for the MD 212A Urban Reconstruction project (TIP ID 6529), and to include \$4.968 million in National Highway Performance Program (NHPP) funding and \$1.837 million in state funding for the MD 5/MD 637 (Naylor Road) Urban Reconstruction project (TIP ID 6683), as described in the attached materials; and

WHEREAS, funding for these projects is included in the Visualize 2045 financial analysis; and

NOW, THEREFORE, BE IT RESOLVED THAT the Steering Committee of the National Capital Region Transportation Planning Board amends the FY 2019-2024 TIP to reprogram and add \$1.748 million in STBG funding and \$502,000 in state funding for the MD 212A Urban Reconstruction project (TIP ID 6529), and to include \$4.968 million in NHPP funding and \$1.837 million in state funding for the MD 5/MD 637 (Naylor Road) Urban Reconstruction project (TIP ID 6683), as described in the attached materials.

Adopted by the TPB Steering Committee at its regular meeting on September 6, 2019.

August 27, 2019

The Honorable Martin Nohe
Chairman
National Capital Region Transportation Planning Board
Metropolitan Washington Council of Governments
777 North Capitol Street, N.E., Suite 300
Washington DC 20002

Dear Chairman Nohe:

The Maryland Department of Transportation (MDOT) requests the following amendment to the Maryland portion of the National Capital Region Transportation Planning Board's (TPB) Fiscal Year (FY) 2019-2024 Transportation Improvement Program (TIP) for two existing MDOT State Highway Administration (SHA) projects as described below and in the attached memos.

This action reflects MDOT's updated programmed expenditures from FY 2019 to FY 2024 for TIP #6529 and breaks out TIP #6683 from MDOT SHA's Areawide Urban Reconstruction Grouped Project, as it has become regionally significant. As these projects are already included in the currently approved regional Air Quality Conformity for Visualize 2045, this action does not change the air quality impact on conformity.

TIP ID#	Project	Phase	Amount of New Funding	Comment
6529	MD 212A Urban Reconstruction, Beltsville	PP/PE	\$80,000	Add funding for preliminary engineering and construction and subtracts funding for right-of-way
		RW	(\$4,978,000)	
		CO	\$7,149,000	
6683	MD 5 and MD 637 Urban Reconstruction, Hillcrest Heights/Silver Hill	PP/PE	\$165,000	Add funding for preliminary engineering, right-of-way, and construction
		RW	\$203,000	
		CO	\$6,347,000	

MDOT requests that these amendments be approved by the TPB Steering Committee at its September 6, 2019 meeting.

The revised funding status will not impact scheduling or funding availability for other projects in the current TIP, which continues to be fiscally constrained. The cost does not affect the portion

of the federal funding which was programmed for transit, or any allocations of state aid in lieu of federal aid to local jurisdictions.

We appreciate your cooperation in this matter. Should you have additional questions or concerns, please contact Ms. Kari Snyder, MDOT Office of Planning and Capital Programming (OPCP) Regional Planner at 410-865-1305, toll free 888-713-1414 or via e-mail at ksnyder3@mdot.state.md.us. ANALYSIS

MD 212A Urban Reconstruction (TPB 6529) – This requested amendment reflects the addition of \$80,000 to FY 2019-2024 TPB TIP planning/design funding, the subtraction of \$4,978,000 from FY 2019-2024 TPB TIP right-of-way acquisition funding, and the addition of \$7,149,000 to FY 2019-2024 TPB TIP construction funding for TPB 6529. The MDOT SHA requests this amendment, which primarily shifts previously programmed funds, in order that the FY 2019-2024 TPB TIP reflects MDOT SHA’s updated programmed project expenditures and project schedule in FY 2019-2024. This project’s

total cost is increasing from \$19 million to \$22 million. The MDOT SHA anticipates advertising this project for construction in November 2019 and opening improvements to traffic in the Winter of 2022-2023.

MD 5 and MD 637 Urban Reconstruction (TPB 6683) – This requested amendment reflects the conversion of a system preservation project previously programmed as part of a grouped project, Areawide Urban Reconstruction (TPB 3083), into a regionally significant capital project due to its revised design. This requested amendment reflects the conversion of \$165,000 in FY 2019-2024 TPB TIP planning/design funding, \$203,000 in FY 2019-2024 TPB TIP right-of-way acquisition funding, and \$6,347,000 in FY 2019-2024 TPB construction funding for TPB 6683. This amendment results from MDOT SHA's 2017 cancellation of the previous iteration of this project due to unsatisfactory construction by the contractor and MDOT SHA's subsequent redesign. This project's total cost is \$21 million, which includes design, right-of-way acquisition, and construction previously completed. The MDOT SHA anticipates advertising this project for construction in November 2019 and opening improvements to traffic in the Spring of 2021.

The attached Statewide TIP (STIP) reports document MDOT's requested amendment with respect to adding funds for the above projects. These requested actions will not impact scheduling or funding availability for other projects in the current STIP, which remains fiscally constrained. The amended funding does not affect the portion of federal funding programmed for transit or allocations of state aid to local jurisdictions in lieu of federal aid.

In addition, the Maryland Transportation Trust Fund (TTF) remains fiscally constrained. The TTF supports State transportation system operation and maintenance, MDOT administration, debt service, and capital projects. Semiannually, MDOT updates revenues and expenditures using two national forecasting companies' latest economic estimates. The MDOT published funding details in the FY 2019-2024 Consolidated Transportation Program (<http://www.mdot.maryland.gov/newMDOT/Planning/CTP/Index.html>) and FY 2019-2022 Maryland STIP (http://www.mdot.maryland.gov/newMDOT/Planning/STIP_TIP/STIPandTIP.html).

Please amend the FY 2019-2024 TPB TIP and FY 2019-2022 Maryland STIP to reflect the funding information provided in the attachments. If you have any questions, please contact Mr. David Rodgers, MDOT SHA Regional Planner, at 410-545-5670 or via email at drodgers1@mdot.maryland.gov.
