Dear Mr. Murrill and Ms. Crews:

The Maryland Department of Transportation (MDOT) hereby requests to amend the Fiscal Year (FY) 2022-2025 Maryland Statewide Transportation Improvement Program (STIP) to reflect one new breakout project in the FY 2021-2024 National Capital Region Transportation Planning Board (TPB) Transportation Improvement Program (TIP).

This amendment reflects the MDOT State Highway Administration (MDOT SHA)'s updated programmed expenditures from FY 2021 to FY 2024, and funding for this new project was previously bundled with other funding for projects included in the FY 2022 MDOT SHA Federal Freight Plan. This project does not add highway capacity and does not affect the Air Quality Conformity Determination for Visualize 2045. The TPB approved the amendment to its TIP on March 4, 2022, and MDOT has assigned Control #22-15 for this amendment to the STIP. The approval and supporting documentation are attached.

Dear Chairman Sebesky:

The Maryland Department of Transportation (MDOT) requests the following amendment to the Maryland portion of the National Capital Region Transportation Planning Board's (TPB) Fiscal Year (FY) 2021-2024 Transportation Improvement Program (TIP) for one new State Highway Administration (SHA) project as described below and in the attached memo.

This action reflects MDOT SHA's updated programmed expenditures from FY 2021 to FY 2024, and funding for this new project was previously bundled with other funding for projects included in the FY 2022 MDOT SHA Federal Freight Plan. This project does not add highway capacity and does not affect the Air Quality Conformity Determination for Visualize 2045.

TIP ID	Project	Amount of New Funding (In 000s)	Comment
11579	I-70 South Mountain Welcome Center Truck Parking, Myersville	\$7,838	Add new preliminary engineering and construction funds for this freight project.

MDOT requests that this amendment be approved by the TPB Steering Committee at its next meeting on March 4, 2022.

The revised funding status will not impact scheduling or funding availability for other projects in the current TIP, which continues to be fiscally constrained. The cost does not affect the portion of the federal funding which was programmed for transit, or any allocations of state aid in lieu of federal aid to local jurisdictions.

PURPOSE OF MEMORANDUM

To request the MDOT Office of Planning and Capital Programming approve and forward to TPB for its approval the following TIP amendment.

SUMMARY

The MDOT State Highway Administration (MDOT SHA) hereby requests amendment of the FY 2021-2024 TPB TIP to reflect the following one action.

TIP	PROJECT	PHASE	NEW FUNDING
11579	I-70 South Mountain Welcome Center Truck Parking, Myersville	PE CO	\$1,538,000 \$6,300,000

ANALYSIS

I-70 South Mountain Welcome Center Truck Parking (TPB 11579) – This requested amendment reflects the addition of a new project to the FY 2021-2024 TIP, TPB 11579, and the addition of \$1,538,000 to FY 2021-2024 TPB TIP design funding and the addition of \$6,300,000 to FY 2021-2024 TPB TIP construction funding for TPB 11579. Until this action, funding for this project was bundled with other funding for projects included in the FY 2022 MDOT SHA Federal Freight Plan as part of FY 2022-2025 Maryland STIP project FP2201. MDOT SHA will process a matching STIP amendment to remove this funding from FP2201. MDOT SHA requests this amendment in order that the FY 2021-2024 TPB TIP reflects MDOT SHA’s updated programmed project expenditures and project schedule in FY 2021-2024.

Ms. Heather Murphy

This project will add 25 new parking spaces to augment the existing 49 truck parking spaces at the east- and westbound I-70 South Mountain Welcome Centers, improving safety for truckers and motorists. This project's total cost is \$7.8 million. Design is ongoing, and MDOT SHA anticipates construction in 2024-2025.

The attached Statewide TIP (STIP) report documents MDOT's requested amendment with respect to funding for the above project. This requested action will not impact scheduling or funding availability for other projects in the current STIP, which remains fiscally constrained. The amended funding does not affect the portion of federal funding programmed for transit or allocations of state aid to local jurisdictions in lieu of federal aid.

In addition, the Maryland Transportation Trust Fund (TTF) remains fiscally constrained. The TTF supports State transportation system operation and maintenance, MDOT administration, debt service, and capital projects. Semiannually, MDOT updates revenues and expenditures using two national forecasting companies' latest economic estimates. MDOT published funding details in the FY 2022-2027 Consolidated Transportation Program (<https://mdot.maryland.gov/tso/Pages/Index.aspx?PageId=27>) and FY 2022-2025 Maryland STIP (<https://mdot.maryland.gov/tso/pages/Index.aspx?PageId=117>).

Please amend the FY 2021-2024 TPB TIP and FY 2022-2025 Maryland STIP to reflect the funding information provided in the attachments. If you have any questions, please contact Mr. David Schlie, MDOT SHA Regional Planner, at 410-545-5674 or via email at dschlie@mdot.maryland.gov.
