Re: Amendment to the FY 2022-2025 Maryland Statewide Transportation Improvement Program, MDOT Control #22-85

Dear Mr. Byrne:

The Maryland Department of Transportation (MDOT) requested approval of an Amendment to the FY 2022-2025 Statewide Transportation Improvement Program (STIP) (Control #22-85 dated October 26, 2023). This Amendment adds new federal and state funding for the Maryland Transit Administration's (MTA) All Stations Accessibility Program for the MARC Martin Airport station (Maryland STIP #73-2401-64). This project was approved by the Baltimore Regional Transportation Board on September 19, 2023.

Per agreement, a joint Federal Transit Administration (FTA)/Federal Highway Administration (FHWA) approval of this STIP Amendment is not required. Based on our review of the information provided, the FTA hereby approves this Amendment to the STIP and finds it consistent with the requirements of 23 U.S.C. 135 and 49 U.S.C. 5304. This approval does not constitute an obligation of Federal funds. FTA finalizes Federal funding for projects included in the STIP upon approval of a grant application.

Dan Koenig is available at daniel.koenig@dot.gov if you have questions concerning this approval.

Sincerely,

Laura Keeley, Director
Office of Planning and Program Development
